Early childhood at Fairhaven Church

With God as our center and parents as our partners, our goal is to come alongside you to help plant the seeds of faith in the hearts and minds of our children.

We want to help kids get to know their Creator and develop a growing relationship with the God who loves them. From our exciting children's activities and experiences to the nurturing care provided in our nursery, everything we do is designed to reach our kids in ways that are meaningful to them.
