SPEAKER	Dr. Andy Brake
TITLE	Outside The Camp
SERIES	Indonesia is home to the world's largest Muslim population, and the Jaffray Bible College & Seminary is playing a vital role in preparing and training students to reach the majority population for Christ. How can we help make a difference?

1. Does being "comfortable" in your life infringe on the calling God may have for your life?
2. Have you ever felt God's calling outside of your comfort zone? What was it? How did you respond?
3. What is true sacrifice? How can you sacrifice in your life to fulfill God's calling for you?
4. How could your relationship with Christ deepen by heeding to His call?
5. How does approaching the cross and recognizing that we are not sufficient, help us to overcome sin and problems that we have not been able thus far?
6. What does it mean that Christ is the author and perfecter of our faith?
7. The altar was set up "outside the camp". In Hebrews, the author feels its important to connect Christ's death to that concept. Why do you think that was important to him?
8. What can we learn from God's apparent answer for a healthy crop of corn that in later days was destroyed?

The Great Commission (Matthew 28:16-20) directs us to share the Good News. Do you believe our focus should be on domestic or global missions? Why?
