## *Closing Prayer.*

Heavenly Father,  
Thank you that you have wired each of us for community and have provided this opportunity to be together as a group. Lord, as we move forward from this group, help us to prioritize building deep relationships and being together as a church family. Help us to be bold in sharing our faith so that those around us can find hope in Jesus as both Lord and Savior. In Jesus' name, Amen.

*Week Six.*

H.O.S.T. GUIDE

Week **Six.**

# 06

**On Sunday, Pastor David challenged each of us to consider our next right step. Knowing that deep relationships foster spiritual growth, we encourage you to take this time to discuss your next step as a group. Here a few things to consider to get the conversation going:**

## Meeting Agenda

### Welcome

Just for Fun! Take a few minutes and have your group discuss the following scenario: *"You've been exiled to a deserted island for a year. You are told you may take three things you want, apart from the essentials. What would you take and why?"*

### Reflective Discussion

If a friend, colleague or family member asked you why does church matter, what would you say?

This past Sunday, we heard a story about how relationships formed at church brought healing and restoration into a marriage. Take a few moments to share how relationships have impacted your personal faith journey.

- Can we commit to meet as a group for the next 6 months?
  - Does our current meeting schedule work for everyone?
  - Would anyone else be willing to take a rotation hosting our group?
  - Would anyone else share the responsibility of facilitating the sermon series discussion?
- If your group is unable to continue, here are some options:**
- If you are new to Fairhaven and want to learn more about the foundations of our Christian faith, consider registering for First Step. You can register as a group or as an individual. First Step is a 4-week small group experience held on campus. The next session starts January 9. Register at [fairhaven.church](http://fairhaven.church).
  - Another option to connect to a group is through our Men's or Women's Bible Study Groups. These groups meet September to May, providing a small group experience and the opportunity to build deep relationship around God's Word. Register at [fairhaven.church](http://fairhaven.church).
  - If you are a new group and plan to continue meeting, email us at [kcarragher@fairhaven.church](mailto:kcarragher@fairhaven.church). We want to provide you with ongoing support as you lead.
