

The Grace Motivator

We talk about grace a lot in church – how we receive it and how we give it – but it's deeper than that. Grace is something we ought to be continually growing in and driven by. How can you experience and extend God's grace in a greater way this year?

STARTER QUESTION

What in your opinion was the "big idea" from this week's sermon?

DISCUSSION

1. What in the sermon stood out to you most? Did you agree with that idea or not? Why? What changes, if any, should you make in your spiritual life based on what you learned?
2. What new truth did you gain? How do you plan to live it out?
3. Identify and read other scripture passages that relate to the sermon. How do these verses enhance your understanding and application of today's lesson?
4. Is there someone you know whose spiritual walk could benefit from today's message? How might you casually share this sermon in the coming weeks with that person?
5. If you could ask the pastor any question in regard to the message, what would it be? Do you have unanswered questions? If so, share and discuss as a group.
6. Were there ideas presented in this week's message that you've thought about or discussed before? Did it challenge any of your ideas or beliefs or present new insights? If so, explain.
7. If you wrote an action plan to practically implement the take-away points from today's message, what would it look like?

Close in prayer for the year ahead, that we may experience and extend grace in new ways.
