PARENT GUIDE MAR 2023

Series description

It's no secret that our culture is broken and misguided. Their values and standards could not be more opposite to what we are called to as Christians. In this five-week series, we will walk through the book of Daniel to see how he refused to back down in standing up to his culture and how we can teach our students to do the same. To learn more about Daniel, check out the overview video from Gospel Project on Youtube.

MORNING TIME

This is a great time to say something like, "I love you just the way you are," to encourage them in the unconditional love that comes from both you and God.

MEAL TIME

At a meal this week, talk as a family about ways they are seeing culture challenging their faith. Try looking up scripture verses that encourage us to stay strong in our faith.

DRIVE TIME

Car time is a great time to ask a difficult questions: "How have you seen culture challenge our faith?"

BED TIME

Pray for with your student and thank God for their life. Pray that God will give them strength to walk through culture without being changed in their faith.
