

### What Is MIX?

Mix is a week-long junior high event held all over the country, led by an organization called Christ in Youth (ciy.com). The mission is to amplify the call of Christ on students' lives to become kingdom workers. Students will experience high energy worship, engaging teaching and have a great camp experience at the same time. In a word, it's youth camp for middle school students.

When and Where: June 5-9 @ Country Lake Camp, Underwood, IN

- We will travel to Underwood, IN in church provided transportation (bus & vans), leaving Fairhaven Church, Centerville Campus at 9:00 AM
- We will be sleeping in the very nice bunkhouses at the camp. Beds will be provided, but students will need to bring their own bedding. (sleeping bag + pillow or twin sheets, etc. – packed & labeled!)
- We will do our best to accommodate housing requests. If you could kindly email [students@fairhaven.church](mailto:students@fairhaven.church) with any requests you may have, that will help in the assimilation process.

### What Will We Do?

- There will be two large-group worship experiences by CIY each day.
- There will be time together in small groups lead by Fairhaven staff and serve team members along with events for just our groups.
- There will be time together to relax and have fun at many different recreation opportunities.
- There will be organized large group games led by CIY each day.

Finally, Thank you!

Parents – THANK YOU (!!!) – for trusting us in your family's faith walk and intentionally investing in your high schooler through this week at CIY MIX!

We believe weeks like this are milestone moments in the faith trajectory of teenagers! So be praying for a few things as you send your baby off to camp!

Please pray with us:

- For students to Find Hope through following Jesus toward life-change.
- For students to experience deep relationships within their small groups.
- For God to move powerfully in the lives of our students in ways we would never imagine!

We never want logistics to be a distraction to what God is doing, so we've done our best to anticipate your needs and questions by providing this document! That being said, sometimes stuff happens...busses run late, communication breaks down, traffic throws off the schedule...there are so many variables that force us to adjust. So, please BE FLEXIBLE! We will do our best to communicate any needed adjustments and answer any questions you may have.

**Please join our text message service to be provided updates regarding trip info and travel updates.**
