Series Theme Verse:

Faith shows the reality of what we hope for; it is the evidence of things we cannot see. Through their faith, the people in days of old earned a good reputation. By faith we understand that the entire universe was formed at God's command, that what we now see did not come from anything that can be seen.

Hebrews 11:1-3

PARENT GUIDE MAR 2023

Series description

If there was a hall of fame for those who excelled in faith, the men and women found Hebrews 11 would be in it. This summer, we will be looking at the lives of ordinary men and women who did extraordinary things when they put their faith in God. They were not perfect people, but they trusted God when it really mattered and big things happened. God has not changed, He is still doing big things in the lives of His people, so let's learn together from the examples of real men and women who excelled in living out their faith in God.

MORNING TIME

This is a great time to say something like, "I love you just the way you are," to encourage them in the unconditional love that comes from both you and God.

MEAL TIME

At a meal this week, ask questions about the Try looking up scripture verses that encourage us to stay strong in our faith.

DRIVE TIME

Car time is a great time to ask a difficult questions: "What can you learn from the Hall of Fame series? How does this challenge our faith to trust God more?"

BED TIME

Pray for with your student and thank God for their life. Pray that God will give them faith to trust God for the little and big things in their lives.
