IGLESIA DE PUEMBO PARTNERS WITH FAIRHAVEN STUDENT MINISTRIES

HISTORY

There is a 20 year partnership with Fairhaven and the Christian and Missionary Alliance Churches in Quito. Every year, a medical team from Fairhaven Church goes to Puenbo to partner with mission to care for their neighbors by providing much needed health and dental care. Their relationship has developed into a unique model that God has blessed far more than Fairhaven could have imagined. In 2014, the Student Ministries returned to Ecuador to partner with the students of Puenbo to experience missions work. This partnership has continued with a special alternating of hosting each other in the USA and Ecuador. This summer, we continue the tradition with the Puenbo students coming to the USA.

MISSION

To partner with Envision Chicago, to reach their neighbors in the North Chicago area, while providing students the opportunity to be trained and to serve.
