WHAT WILL HAPPEN AT LIFE 2025

- LIFE is a gathering of over 5,000 students from Christian and Missionary Alliance (C&MA) churches all over the US, gathered to experience God and expand His kingdom locally and globally.
- The vision of LIFE 2025:
 - GLORIFY God in worship, word, and community
 - INTRODUCE Jesus Christ into the whole life of each student
 - EXPOSE God's heart for the lost
 - INSPIRE students to join the global Alliance family
- Outstanding main stage experiences to worship and explore how Jesus engages in our here and now by transforming our identity and deepening our sense of belonging.
- Over 50 engaging seminars and artist to help students dig deeper, explore and be challenged in their faith and walk with Jesus.
- Special experiences to help students better understand prayer, justice and missions. LIFE 2025 will help answer these questions: How do we talk to God? How do we respond to justice issues? What is the Alliance family doing to bring the name of Jesus to the least, lost and yet to hear?
- Service project to demonstrate Christ's love seen through our actions to the Indianapolis community.
- Accommodations at the Indianapolis Convention Center with rooms reserved at the JW Marriott for our group.
- Hang out with friends and meet new ones! LIFE is a chance to spend a week traveling, staying at a hotel, hanging out, and worshipping God with some of your closest friends while you meet more along the way.
- Optional- 5K Run: Run with friends and raise tens of thousands of dollars to give back to a designated ministry. Competitive runner or not, this run will be one to write home about. Additional cost required.

WHY ARE WE GOING TO LIFE THIS SUMMER?

Our mission in the High School Ministry is to help students find and share the hope of Jesus. One way is through large events like LIFE that help students experience God, be stretched and grow in their faith. Fairhaven attended LIFE in 2022 and saw the amazing ways God worked in and through students. We are so excited to return to LIFE in 2025 and learn together how God is present, Here & Now, in the midst of all the challenges we experience!

HOW CAN YOU PAY FOR LIFE 2025?

- Since LIFE is not a mission trip, we will not be organizing fundraising for LIFE 2025. We believe the financial aspect of LIFE 2025 will be one of the more amazing parts of the trip, an opportunity to work hard and to see God provide.
- Our goal is that no one who wants to attend LIFE stays home because of finances. During the months prior, allow God to provide in miraculous ways, while at the same time working hard to earn money toward your own expenses. We honestly can't think of a better financial investment than our spiritual lives.

In addition to what parents contribute, we encourage students to take on some of the responsibility of raising the money for LIFE. We find ownership in the trip skyrockets when putting your own sweat into paying for the experience. Here are some real, practical ideas for students:

- Baby-sit: At \$30 a night once a week between now and the final deadline, you could earn around \$500.
- Mow lawns / shovel snow / walk dogs around the neighborhood
- Set aside money from your regular job (\$100-\$150 a month and you are almost there!)
- Have a garage sale
- Work with some other families to do a car wash or other things in the community to raise money (we ask that you don't promote these fundraisers at Fairhaven).
- Use birthday money for the event. Trust us, money spent on LIFE is cooler than paying \$20 for a movie and popcorn!
- Envelope Drive: Ask friends and family to help you get to LIFE by choosing a number 1 to 50, and donate that amount. If everyone picks one number you will collect \$1325. For more info, look up resources on how to run an envelope fundraiser.
