## SMALL GROUP GUIDE

Unlearned Wisdom: “Wisdom on Wealth”  
Scripture Focus: Proverbs

## ICEBREAKER

Share a time when you had to make a financial decision that shaped your life in some way. What factors influenced your choice?

## INTRODUCTION

What stood out to you from Pastor David's message?

The Bible offers **wisdom on wealth** that goes beyond finances—it speaks to the **heart** behind our financial decisions. Proverbs teaches that money should never be the focus of life, but rather, a tool to honor God, bless others, and live wisely. Whether we have much or little, true financial wisdom means trusting God, working diligently, practicing generosity, and stewarding resources in a way that reflects His character.

### Reflection:

What's one word that best describes your current view of money—stressful, necessary, blessing, or something else? How does that word align with what God teaches about wealth?

## INTO THE WORD

**Read Matthew 6:24 and 1 Timothy 6:9-10.** Why is it dangerous to let wealth become our primary focus? How can we guard our hearts against making money an idol?

**Read Deuteronomy 8:17-18 and Luke 12:16-21.** What happens when we focus on accumulating wealth rather than using it to honor God? How can we be “rich toward God” instead?

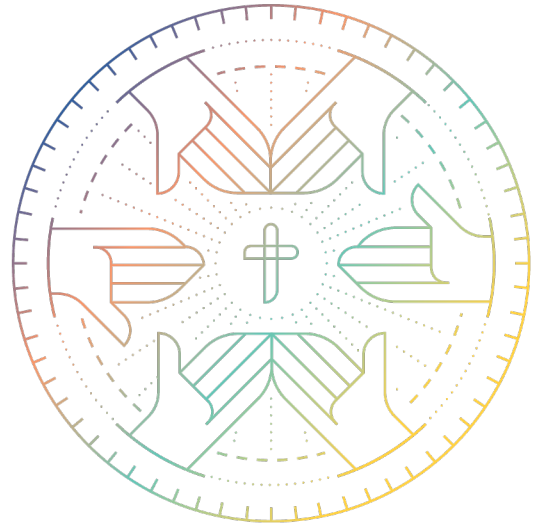

**Read Proverbs 11:24-25 and Philippians 4:11-13.** How does generosity and contentment actually benefit the giver? How have you experienced the joy of giving?

**Read 1 Timothy 6:17-19 and Matthew 6:19-21.** How can saving and planning ahead reflect faith rather than fear?

## PRAYER

*Heavenly Father, thank You for the wisdom You give us about money and possessions. Help us to see wealth as a tool for Your glory, not our own gain. Teach us to be faithful stewards, generous givers, and wise decision-makers. Guard our hearts from greed, anxiety, and selfishness. May we trust You as our ultimate provider, working diligently while relying on Your provision. May we be content because of our trust in You, Father. In Jesus' name, Amen.*
