

\$2000

WHO: Adults

**PUEMBO ALIANZA & CHURCH
MINISTRIES INTERNATIONAL**

WHAT TO EXPECT

PROJECT

Team Puembo collaborates with Church Ministries International (CMI) and Puembo Church, along with local doctors, to host an annual week-long clinic. The church also organizes follow-up clinics staffed by church members, in addition to providing ongoing support to the local government clinic.

Throughout the years, we have built great relationships with our host families. The success of this partnership relies on our willingness to serve and a readiness to assist in any way necessary to support their outreach strategy.

Additional opportunities for engagement include Ecuadorian visits to the United States, student mission trips to Ecuador, and a second medical brigade to Los Chillos, Ecuador.

To learn more about the work of CMI and their ministry in Ecuador, please visit their website.

PRE-TRIP DATES

SEPTEMBER — Information meetings at each campus. Information available on the Fairhaven website or the app.

TBD — Team gatherings will be planned and communicated to discuss plans for the trip.
