TEAM

ECUADOR

SERVING — PARTNER WITH **PUEMBO ALIANZA**, TO REACH THEIR NEIGHBORS TO SHARE THE HOPE OF JESUS WHILE PROVIDING HEALTH CARE, READING GLASSES AND DENTAL SERVICES.

 TRAVEL: Plane

 HOPE FOR: At-Risk Communities

 WHO: Adults

For over twenty years, we have partnered with the churches around Quito, Ecuador, providing medical brigades as an outreach of their church. The trip consists of physicians, dentists, physicians assistants, nurses, and physical therapists, in addition to non-medical support personnel to assist with reading glasses, children's ministry, and various logistical roles. One unique aspect of this trip is the friendships we have developed with the host families over the years.

LOCATION

PUEMBO, ECUADOR

LODGING

HOST HOMES OF FAMILIES FROM THE CHURCH

PARTNER

PUEMBO ALIANZA & CHURCH MINISTRIES INTERNATIONAL

WHAT TO EXPECT

PROJECT

Team Puembo collaborates with Church Ministries International (CMI) and Puembo Church, along with local doctors, to host an annual week-long clinic. The church also organizes follow-up clinics staffed by church members, in addition to providing ongoing support to the local government clinic.

Throughout the years, we have built great relationships with our host families. The success of this partnership relies on our willingness to serve and a readiness to assist in any way necessary to support their outreach strategy.

Additional opportunities for engagement include Ecuadorian visits to the United States and student mission trips.

To learn more about the work of CMI and their ministry in Ecuador, please visit their website: www.churchministries.org

PRE-TRIP DATES

SEPTEMBER — Information meetings at each campus. Information available on the Fairhaven website or the app.

TBD — Team gatherings will be planned and communicated to discuss plans for the trip.
