TEAM SENEGAL

SERVING — KEUR NEPP IS A PLACE FOR VUNERALBE STREET BOYS TO FIND A HOME, HEALING AND JESUS. JOIN THIS NEW PROJECT AND MAKE A HUGE IMPACT IN THE LIVES OF THESE BOYS.

TRAVEL: Plane

HOPE FOR: At-Risk Communities

WHO: Medical, construction, kids and soccer

Keur Nepp is constructing more than a home for boys—it is establishing a place of refuge, restoration, and opportunity while developing infrastructure that supports long-term sustainability and impact.

Join the team as we support this ministry through construction, outreach, and meaningful engagement with the boys. Whether you build, serve, play soccer, provide medical support, lead activities, or simply invest your time and presence, every role contributes to creating opportunities for transformation and hope.

Together, we have the opportunity to build, create, encourage, and participate in what God is already accomplishing in West Africa.

Come be part of the story.
